Each year, University Career Services conducts a graduate destination survey of the graduating class to learn more about the career choices made by St. John's graduates. Specially, we seek to identify the numbers of alumni who are employed, seeking employment, or going to graduate school within six months of graduation.

“University Career Services (UCS) is one of the offices that had a huge impact on my undergraduate experience. The [career readiness] series offered by UCS during my first year helped me to lay a groundwork for my resume and learn how to properly write a cover letter among many other invaluable skills. Utilizing this office, and Handshake, I was able to obtain TWO amazing internships in different law firms. One of the firms was actually founded by St. John's University Alumni! The connections that UCS gave me to our extremely vast alumni network are irreplaceable and something I will utilize for the rest of my career. - Taylor Capozziello, '20 CCPS
