FINANCIAL AID

The Office of Student Financial Services is committed to providing you with the information you need to navigate the financial aid and payment process. Learn more at www.stjohns.edu/financialaid. To be considered for federal aid programs, including federal student loans, students must file a Free Application for Federal Student Aid (FAFSA®). St. John's federal school code is 002823.

GRADUATE ASSISTANTSHIPS AND FELLOWSHIPS

A limited number of Graduate Assistantships and University Fellowships are granted to various academic departments within each School and College of the University. Graduate Assistantships may also be available in administrative departments. You can submit the graduate application as part of your graduate assistantship application.

MERIT SCHOLARSHIPS

Merit-based scholarships are available to first-year graduate students who enroll in specified St. John's master's degree programs. Admitted students are automatically considered for merit-based scholarships and are notified at the time of, or shortly after, acceptance. For additional scholarships and more information, visit www.stjohns.edu/graduatescholarships.

ALUMNI SCHOLARSHIPS

Alumni Scholarships are automatically awarded to students accepted to a St. John's master's degree program who have already earned a bachelor's degree from St. John's. The following programs are excluded from Alumni Scholarship consideration: M.S. in Actuarial Science; M.S. in Enterprise Risk Management; M.S. in Library and Information Science; M.S. in Physician Assistant; and M.S. in Risk Management and Risk Analytics.

ST. JOHN'S
UNIVERSITY

College of Pharmacy
and Health Sciences

Since its founding in 1929, the College of Pharmacy and Health Sciences at St. John's University has trained scholars and practitioners who are respected for the quality of their contributions and compassion for those they serve. Advanced degree programs within the College rely on original research and discovery through rigorous scientific investigation in order to enhance our understanding of the world.

The College of Pharmacy and Health Sciences offers Anatomage virtual dissection tables at the University's Queens, NY, campus. The Anatomage is the world's first and most technologically advanced virtual dissection table for anatomy education, and it can effectively replace expensive and cumbersome cadaver laboratories.
