

GAAP Summer Support of Research Application

A limited number of stipends, up to \$2800 each, will be available this summer, on a competitive basis, to students who plan a research project with a full-time faculty mentor. Proposals are due by 3 pm on April 18th to the GAAP Program, submitted via email to gaap@stjohns.edu. The research project should be a full-time, 8 week project. Mentorship may be provided remotely. Awards are open to all undergraduates, in all disciplines, in all colleges at St. John's University.

Please direct any questions to Dr. Konrad Tuchscherer at gaap@stjohns.edu

This form is not a fillable PDF. Applicants should recreate the various prompts with responses.

Section I: Biographical Information

1. Date:
2. Name:
3. X number:
4. SJU email:
5. Tel.:
6. Major(s):
7. Minor(s):
8. Current degree level:
9. SJU college or school:
10. SJU campus:
11. Expected date of graduation (if BA/MA, include both graduation dates):
12. Undergraduate GPA:
13. Graduate GPA if applicable:
14. List all other colleges/universities attended:
15. Citizenship (note that US citizenship is not required):
16. Country of birth:
17. List any research experiences with dates:
18. Name of a mentor for research or a professor who has guided you:
19. Interesting information about you:
20. Honors/Awards received (for example: Presidential Scholar, Honors Program, President's Society, Gold Key recipient, Silver key recipient, Skull and Circle Honor Society, McNair Scholar, Ozanam Scholar, etc.):

Section II: Research Proposal (if possible, please submit as a single PDF)

1. Title of proposed summer research
2. Research proposal:
 - A. Summary of research project
 - B. Anticipated weekly schedule
 - C. Outcomes (papers, reports, publications, poster boards, videos, audios, artwork, etc.)
 - D. Explanation of choice of mentor
 - E. Statement on future plans after graduation
3. Resume
4. Transcript (unofficial from UIS acceptable)
5. Faculty mentor recommendation (to be submitted via email by proposed faculty mentor to gaap@stjohns.edu by the April 18th deadline). Recommendation should include responses to the following prompts:
 - A. How does the proposed student research relate to your research?
 - B. Where will the student work and under whose supervision? (note that remote mentorship is acceptable)
 - C. Based on your observations of the student's academic performance, will the student be able to carry out their proposed research successfully?
 - D. Assessment of student's potential in graduate school.
6. Student declaration and signature. Applicant should write out the following: "By my signature I declare that the information provided in my application is true, correct, and complete." After this, the applicant provides signature, which may be typewritten.
